

Phase 1 Curriculum Overview KS1 phase of training					
week	Mon	Tue	Wed	Thu	Fri
19.09.22	Induction				
26.09.22		4211 the role of the primary teacher 1.1, 1.2, 1.3 (Developing a personal philosophy – important session to include in induction week)	4212 History Introduction to NC: Changes within living memory	4215 introduction - What is primary English - Becoming a teacher of reading. SK audit and English IDP	4214 - Introduction to mathematics –effective mathematics teacher and attitudes
		4217 STEM module Introduction & complete audit		4213 Characteristics of effective learning and developmentally appropriate practice in EYFS	4211 SS Learning to learn
03.10.22		4211 classroom management – preventing unwanted behaviours (prevention, reorientation and avoiding 'consequences/sanctions')	4212 Music - Active Listening	4215 The Oracy framework - Spoken language in the NC - teaching children to talk and listen	4214 Early number development
		4217 Science 2: The NOS & Working scientifically		4213 Language acquisition - Theories and processes 1	4211 SS learning to learn 2 referencing
10.10.22		4211 behaviour management – different approaches linked to theory	4212 PE Aims of the NC - Games in Eys & KS1	4215 What is reading responding to texts the importance of reading aloud	4214 mathematics through story and representations
		4217 D&T 1 Value, make design		4213 Language acquisition - Theories and processes 2	4211 SS learning to learn 3
17.10.22		4211 National Curriculum and Early years Statutory framework	4212 RE & WV Nature and purpose of RE Intro to Big Ideas	4215 Qualities of children's texts - Vocabulary development & language rich curriculum	4214 Place Value and developing number sense
		4217 SCIENCE 3: Practical work in Sci, DT & Comp		4213 Influences on Children's developing speech, language and communication	4211 SS Proof reading and editing
24.10.22		4211 Procrastination and time management	4212 audits and SK Development	4215 Grammar language features and punctuation	4211 SS - working on first submission
		4217 Science 4: Learning Theories and Assignment 1 support		4213 link to FS - developing foreign languages in KS1	4214 what makes an effective mathematics lesson
31.10.22	FS Week Arts Focus				
		4212 Art - What is Art key knowledge, concepts and pedagogical approaches - Art in Eys and KS1 (Drawing)	4212 Music - What is music key knowledge and concepts - Eys and KS1 composition performing and appraising	4212 PE- What is PE key knowledge and concepts - Dance and Gymnastics in Eys and KS1	4212 Outdoor Learning Introduction to the concept of the sense of space and how pupils' learning can be enhanced through the use of outdoor spaces. Through Maths Eng & Sci

07.11.22	Directed Study Week	4211 Planning for a diverse curriculum			4214 Questioning – effective questioning in mathematics
14.11.22	Monday placement	4211 Child protection		4215 Reading Comprehension - DARTs developing RC with non fiction	4211ROP - What is learning? Why is SK the basis for all effective teaching
		4217 Science 4: Seasonal changes and plants Animals inc Humans		4213 Sustained Shared thinking and zone of proximal Development	4214 mental mathematics in KS 1
21.11.22	Monday placement	4211 Cognitive science – an introduction to cognitive science in a primary classroom		4215 Teaching grammar and punctuation in KS1 DARTs developing RC with fiction	4211 ROP Building Learning plans
		4217 D&T 2 Structures and movement		4213 self regulation and executive function	4214 mental mathematics (addition and subtraction)
28.11.22	Monday placement	4211 Self-regulation and metacognition		4215 what is writingKS1 exemplification - writing to a criteris; handwriting	4211 ROP Constructive Alignment - More than Fun and Games
		4217 Science 4: Animals inc Humans		4213 Communication and language for self regulation	4214 Developing fluency, problem solving and reasoning
05.12.22	Monday placement	4211 Consolidation - knowledge organisers of semester 1		4215 Writing as a Process: the key principles including a focus on the pedagogical approach of Talk for Writing in KS1	4211 ROP Pedagogies and Proxies-mythbusting
		4217 Computing 1 Skills and Concepts KS1		4213 Cognition and schemas, working memory and attention	4214 consolidation – knowledge organiser for semester 1
12.12.22	Assessments				
19.12.22	WINTER BREAK				
26.12.22	WINTER BREAK				
02.01.23	BANK HOL	Assessments			
09.01.23	Monday placement	Assessments/online			
16.01.23	Monday placement	4211 Trauma-informed practices (linked to behaviour for learning)		4220 What comes before formal phonics teaching?	4211 S Essay writing support tailored to 80% essay and Harvard Referencing
		4217 Art 1 Painting and Printmaking (practical, disciplinary knowledge)		4213 Attachment theory and relational learning	4214 Multiplication in KS1 Curriculum, personal subject knowledge and pedagogy.
23.01.23	Monday placement	4211 Teaching for diversity with a focus on becoming an Anti-racist educator		4220 Key principles of phonics teaching (Lead) Content subject knowledge: The Simple Code (workshop)	4212 Geography Geography key knowledge and concepts. Geography in EYFS. The importance of children’s geographies. •Why is it important as a subject and to me as a future teacher? The dangers of a single story.
		4217 SCIENCE 5: Everyday materials		4213 Agency and child voice	4214 Division in KS1

					Curriculum, personal subject knowledge and pedagogy	
30.01.23	Monday placement	4211 Bullying – as a barrier to learning		4220 The skill of blending/alien words Content subject knowledge: The Complex Code (workshop)	4212 What went before: Areas of learning in the EYFS.	
		4217 Computing 2 Digital Literacy and Compute science KS1		4213 Importance of play-based pedagogy	4214 Fractions –an introduction to fractions in KS 1	
06.02.23	Monday placement	FS Week Humanities Focus				
		4212 Religion & world views - What is R & WV key knowledge and concepts- Visitors – Matthew (Christianity from an Ethiopian perspective and Rania – Islam) to share personal worldviews. RE in EYs and KS1 – use of persona dolls.	4212 PSHE - What is PSHE key knowledge and concepts - PSHE in Eys and KS1	4212 History - What is History key knowledge and concepts - History in Eys and KS1	4212 Geography: Importance of geography. Substantive and disciplinary knowledge. NC for KS1. Pedagogy. Enquiry questions. Vocab, discussion, debate, questioning. Assessment Planning.	
13.02.23	Monday placement	4211 Inclusion –focus on specific learning needs and mental health		4220 Phonetically plausible spelling (Lead) Developing pedagogical subject knowledge and linking tasks to outcomes (workshop)	4212 Assignment Q&A	
		4217 STEAM workshop		4213 Play and language development	4214 Fractions in KS 1 and introduction to Geometry in KS 1	
20.02.23	(Half Term Break)					
27.02.23	Monday placement	4211 Looking for Learning – introduction to assessment as part of a teaching – learning - planning - assessment cycle		4220 Progression and sequencing in a phonics lesson (Lead) Planning for phonics (workshop)	4211 ROP Assessment- does teaching mean learning?	
		4217 Assignment support & Designing & Making		4213 Physical and sensory development	4214 Measurement in KS1 – introduction to a progression from non-standard to standard units.	
06.03.23	Monday placement	4211 Professional Conversations		4220 Support for phonics planning	4211 ROP Progression and Prior knowledge- support, small steps and sequencing	
		4217 Kite making		4213 Atypical language development in the earliest years 0-5	4214 Statistics – introduction to KS1 statistics and handling data	
13.03.23	Monday placement	4211 Headteacher – professional expectations for placement and becoming an effective teacher		4220 Working with a range of commercial schemes (workshop)	4211 ROP Have a go - Investigations and application- preparing for placement	

		4217 Kite Flying		4213 Features of the environment and initiatives that support language development	4214 KS1 pedagogies including Outdoor learning – preparation for school placement
20.03.23	Monday placement	4220 planning	4220 feedback	4220 SSP Micro teach	4220 SSP Micro teach
		4220 planning			
27.03.23	Monday placement	4211 Placement Briefing		4220 Applying phonics to independent reading (workshop) Identifying the learning in commercial schemes (workshop)	Outdoor learning focus Natural Curriculum approach – Maths Eng & Sci
				4213 Assignment support	
03.04.23	SPRING BREAK				BANK HOL
10.04.23	BANK HOL				
17.04.23	Assessment week				
24.04.23	Assessment week				
01.05.23	BANK HOL	KS 1 Placement			
08.05.23	BANK HOL				
15.05.23					University
22.05.23					
29.05.23	BANK HOL	(Half Term Break)			
05.06.23					
12.06.23					
19.06.23	University	Extra week for those with 2 week half term
