

Phase 2 Curriculum Overview KS2 phase of training					
week	Mon	Tue	Wed	Thu	Fri
26.09.22	5211 Induction to L5	5211SS Harvard referencing - Library search skills		5217 Intro to module Science 1 - Rocks SK IDP	5211ROP Addressing KS2 misconceptions through effective TSK and learning design
	5212 History NC at KS2: Developing subject content knowledge	5214 Fractions, decimals and percentages 1		5217 D&T 1 - Intro to D&T at KS2	5215 Introduction to English at KS2 - expectations of SK development and fundamental skills Workshop Oracy
03.10.22	5211 Intro to module - the LJMU teacher	5211SS Academic writing at L5		5217 Science 2 - Light and sound	5211ROP Having impact from the outset – summative assessment
	5212 Music pedagogy and practice - what do I know/need to know?	5214 Fractions decimals and percentages 2		5217 D&T 2 - Mechanisms and planning	5215 planning in English workshop - reading comprehension
10.10.22	5211 behaviour for learning in KS2 – exploring approaches to promoting behaviour for learning; drawing on research-informed practices in a Partnership School	5213 Intro to module - current issues in SEN; key legislation and school documentation		5217 Science 3 - world views of science and tackling socio-scientific issues	5211ROP Are you still with me? - formative assessment
	5212 Primary Languages in KS2: Grammar focus	5214 Geometry 1 2D and 3D shapes. Classifying and sorting shapes. Knowledge of the properties of shapes.		5217 Art and Design 1 - Cultural Capital and diversity in Art and Design (patterns and Islamic Art)	5215 modelling reading skills: responding to key questions by thinking aloud: Workshop author's use of language
17.10.22	5211 metacognition-working memory - cognitive load	5213 ACES – exploring Adverse Childhood Experiences research and how to develop strategies to support pupils with these experiences		5217 Science 4: Plants and Explanations, examples and models in science	5211ROP –Responding to assessment
	5212 Nature of RE & WV - Big ideas. Online – looking at diversity of worldviews within a religion/ non religion.	5214 Algebra		5217 Computing 1 Introduction to KS2 Computing NC requirements	5215 choosing texts for KS2 and identifying teaching opportunities workshop DARTs teaching children to make inferences
24.10.22	(Half Term Break)				
31.10.22	5211 Wider role of the teacher: working with additional adults; effective deployment of Tas	5213 specific learning difficulty (SpLD) 1: ADHD		5217 Assignment 1 support	5212 Assignment support
	5212 Geography Digimaps	5214 Written algorithms and misconceptions SATs papers		5217 Approximations of practice Planning (Micro teaching)	5215 using drama as a pedagogical tool to develop reading and oracy
07.11.22	FS Week Humanities Focus				

		5212 Geography NC KS2 Geography - Key substantive knowledge - using school grounds and the local area	5212 PSHE What is PSHE and RSHE in KS2: Exploring the curriculum- teaching controversial/sensitive strands of PSHE - rules of safe and including learning space	5212 History Planning a sequence of learning in KS2 - using memory to shape memory. Process of historical enquiry	5212 RE & WV in KS2 RE practitioner visit (REQM teacher from partner school) = examples of socio-constructivist approach and opportunities for SK enhancement
14.11.22	5211 Assessment for learning – looking in more detail at formative assessment with a focus on strategies particularly appropriate to KS2	5213 SpLD 2: Dyslexia		5217 D&T 3 - Creativity and textiles	5215 assessment support
	5212 Geography - using books to support geography teaching	5214 Geometry 2 The four transformations (enlargement, reflection, rotation and translation)		5217 Science 5 - Physics Focus	5218 - Introduction to SDGs, education for climate justice and sustainable development
21.11.22	5211 EAL - speaker from EMTAS	5213 SpLD 3: Dyscalculia		5217 Computing 2 Digital Literacy & computer science at KS2 (1)	5215 word reading in KS2 – workshop poetry: enjoyment and a vehicle for learning
	5212 Online Art session- Art for All (an anti-racist and anti-ableist curriculum)	5214 Measurement Standard units of measure, area, perimeter and volume.		5217 Science 6: Animals inc humans and living things and their habitats	5218 Pedagogy using projects- clothes swap? UN climate change conference
28.11.22	5211 Coping with loss and bereavement	5213 SpLD 4: Dyspraxia and sensory processing difficulties	5217 Poster presentation event	5217 Approximations of practice Delivery (Micro teaching)	5215 - assessment support tutorials
	5212 PE - aims of PE in KS2 - what makes a good PE lesson	5214 statistics		5217 Assignment 2 support	5218 Teaching climate justice 1 This is the first part of the Oxfam certificate aspect of the module
05.12.22		FS Week Arts Focus			
		5212 Art Theoretical Knowledge - Visual Literacy and assessment	5212 Primary Languages: Three pillars of phonics, vocabulary and grammar; Motivation in primary languages; language learning strategies; how to plan a primary language session inc pedagogy	5212 PE - setting up the learning experience - Dance and gymnastics at KS2	5212 Music - pedagogy: engagement and music for all. Understanding Solfege, - composition and exploration of performance
12.12.22	5211 group tutorial assignment support	5213 Speech Language and communication needs		5217 Computing 3 Digital Literacy & computer science at KS2 (2)	5215 Developng grammar and punctuation content SK
	5212 PSHE Review of RSHE - creating safe spaces	5214 Time and money Real life contextual mathematics and the build-up of this knowledge.		5217 Science 7: Evolution and Inheritance	5218 1. Subject knowledge development 2. School contact and preparation
19.12.22	WINTER BREAK				

26.12.22					
02.01.23	BANK HOL	Assessment week			
09.01.23	5211 Diversity - Anti-homophobic bullying	5211P –Assessment stories- beyond a one size fits all		5217 Art and Design 2 Printmaking	5215 knowledge of texts (genre) workshop - Grammar in context
		5214 Problem solving and reasoning. Building on fluency to create opportunities for context and application of skills and knowledge.		5217 Science 7: Materials and their properties	5218 Thrive in the forest – understanding the role of outdoor learning in the teaching of sustainability
16.01.23	5211 KS3 and transition from primary to secondary	5211P Adaptive teaching and learning- adapting to complex individuals		5218 planning opportunity and online support	5215 Spelling 1 Workshop - the writing process 1 gathering ideas, planning drafting
		5214 Teaching multiplication in local school KS2		Outdoor 5212 RE focus to consider a range of religious/ non-religious personal worldviews about the environment	5218 Communities of philosophical enquiry
